

BUTCHER Energy Station — Complete Action Kit

Your Step-by-Step Roadmap to Making This Dream a Reality

Prepared for: The BUTCHER Founder **Date:** April 2026

Part 1: Your Immediate Action Plan (First 30 Days)

The following table outlines exactly what you need to do in the next 30 days. These are zero-cost or low-cost actions that move the project forward immediately.

Week	Action	Where to Go	What to Bring	Cost
Week 1	Visit DTI Negosyo Center for free business counseling	DTI Caloocan or DTI NCR Office, 361 Sen. Gil Puyat Ave., Makati	Valid ID, your business plan (attached)	FREE
Week 1	Register at Go Negosyo mentorship program	gonego.ph (online registration)	Email address, business concept summary	FREE
Week 2	Visit Shell Philippines Dealer Recruitment	Shell House, 156 Valero St., Salcedo Village, Makati	Valid ID, resume, business plan	FREE
Week 2	Visit Petron Retail Dealer Program	Petron Megaplaza, 358 Sen. Gil Puyat Ave., Makati	Valid ID, resume, business plan	FREE
Week 2	Visit Phoenix Petroleum dealer inquiry	Phoenix Petroleum Office, Bonifacio Global City	Valid ID, resume, business plan	FREE
Week 3	Apply at SB Corporation (Small Business Corp)	sbgfc.org.ph or DTI Negosyo Center (they can assist)	Business plan, valid IDs, proof of residence	FREE to apply
Week 3	Inquire at Landbank SME Lending	Nearest Landbank branch in Caloocan	Business plan, valid IDs	FREE to inquire
Week 4	Attend PCCI or local chamber of commerce meeting	Philippine Chamber of Commerce — philippinechamber.com	Business cards (if available), business plan	Membership fee varies
Week 4	Post on Filipino investor Facebook groups	Facebook: “Philippine Startup Investors”, “Negosyo Philippines”	Digital copy of your pitch deck and business plan	FREE

Part 2: Funding Sources — Complete Contact Directory

A. Oil Company Dealer Programs (Zero or Low Capital Required)

These companies will build the station for you. You operate it and earn per-liter commissions. This is the fastest path if you have no capital.

Shell Philippines

- Website: www.shell.com.ph
- Dealer Recruitment: Call (02) 8849-9000
- Email: shell-philippines-communications@shell.com
- What to ask: “I’d like to inquire about your CODO (Company-Owned, Dealer-Operated) program for a new station in Caloocan South.”

Petron Corporation

- Website: www.petron.com
- Dealer Hotline: Call (02) 8886-3888
- Email: customercare@petron.com
- What to ask: “I’m interested in your Retail Dealer Program. I have a business plan for a station in Caloocan South, Metro Manila.”

Phoenix Petroleum

- Website: www.phoenixfuels.ph
- Contact: (02) 8403-4024
- What to ask: “I’d like to apply as a dealer-operator for a new Phoenix station in Caloocan South.”

Seaoil Philippines

- Website: www.seaoil.com.ph
- Contact: (02) 8581-6333
- What to ask: “I’m interested in becoming a Seaoil dealer in Caloocan South.”

Cleanfuel

- Website: www.cleanfuel.ph
- Contact: (02) 8477-2355
- What to ask: “I’d like to inquire about dealer opportunities in Caloocan, Metro Manila.”

B. Government Lending and Support Programs

SB Corporation (Small Business Corporation)

- The government’s lending arm for MSMEs under DTI
- Loan amounts: ₱5,000 to ₱10,000,000
- Interest rates: As low as 6% per annum
- Website: www.sbgfc.org.ph
- Hotline: (02) 8651-3333

Landbank of the Philippines — SME Lending

- Offers term loans for small and medium enterprises
- Can finance construction, equipment, and working capital
- Website: www.landbank.com
- Visit nearest Caloocan branch

Development Bank of the Philippines (DBP)

- Has special lending windows for energy-related businesses
- Relevant program: Green Financing Program (for solar and EV infrastructure)
- Website: www.dbp.ph
- Contact: (02) 8818-9511

Pag-IBIG Fund Multi-Purpose Loan

- If you are a Pag-IBIG member with at least 24 monthly contributions
- Can borrow up to ₱600,000
- Useful as seed money for initial business registration and planning costs

C. Private Investors and Angel Networks

Philippine Angel Investors Network

- Connect with high-net-worth individuals looking to invest in promising businesses
- Attend their pitch events

QBO Innovation Hub

- Free co-working space and mentorship for startups
- Website: www.qbo.com.ph
- Location: DTI International Building, Sen. Gil Puyat Ave., Makati

Go Negosyo (Philippine Center for Entrepreneurship)

- Founded by Joey Concepcion
- Free mentorship program that pairs aspiring entrepreneurs with successful business owners
- Website: www.gonego.ph
- Register online for their mentorship matching program

D. Online Crowdfunding and Community Funding

Spark Project (sparkproject.ph)

- Filipino crowdfunding platform
- You can create a campaign for your BUTCHER Energy Station concept
- Share your story, blueprint, and business plan to attract backers

Facebook Investor Groups

- “Philippine Startup Investors & Entrepreneurs”
 - “Negosyo Philippines”
 - “Filipino Angel Investors Network”
 - Post your pitch deck and business plan summary
-

Part 3: Investor Pitch Letter Template

Use this template when reaching out to potential investors via email or message. Customize the bracketed sections.

Subject: Investment Opportunity — BUTCHER Energy Station (Caloocan South)

Dear [Investor Name / Sir / Ma'am],

I am writing to present an investment opportunity in a modern energy station concept in Caloocan South, Metro Manila — one of the most densely populated and highest-traffic areas in the Philippines.

The Concept: BUTCHER Energy Station is a next-generation fuel retail facility that combines traditional fuel dispensing with EV fast-charging bays, a solar-panel canopy, and a premium convenience store. No existing station in Caloocan South offers this combination, giving us a clear first-mover advantage.

The Market: Caloocan South has a population of over 1.7 million people, a density of 32,180 persons per square kilometer, and is served by EDSA (the country's busiest road), Samson Road, Rizal Avenue Extension, and 5th Avenue (C-3). Daily traffic volume is extraordinary.

The Numbers: The total investment required is ₱27,000,000 (excluding land). Under moderate projections, the station generates a monthly net income of ₱252,000 and achieves full return on investment within 4 to 5 years. Revenue is diversified across fuel sales, a high-margin convenience store, EV charging, and solar energy savings.

What I Bring: I have developed a complete business plan, engineering blueprint, and facility design for this project. I am committed to managing and operating the station full-time.

What I'm Looking For: A capital partner willing to invest ₱27,000,000 in exchange for an equity stake and projected annual returns of 11% or higher.

I have attached the complete business plan and investor pitch deck for your review. I would welcome the opportunity to discuss this further at your convenience.

Respectfully, [Your Full Name] [Your Phone Number] [Your Email Address]

Part 4: Oil Company Dealer Application Letter Template

Use this when applying to Shell, Petron, Phoenix, etc.

Subject: Dealer Application — Caloocan South, Metro Manila

Dear [Company Name] Dealer Recruitment Team,

I am writing to express my strong interest in becoming a dealer-operator under your [CODO / retail dealer] program. I have identified Caloocan South, Metro Manila as an ideal location for a new fuel station due to its extreme population density (1.7 million residents), heavy traffic volume on EDSA Monumento, Samson Road, and Rizal Avenue Extension, and the current lack of modern fuel retail facilities in the area.

I have prepared a comprehensive business plan and facility concept for this location, which I would be happy to share with your team. My concept includes provisions for future EV charging integration and solar energy, aligning with the government's EVIDA framework and your company's sustainability goals.

I am available for an interview or site visit at your earliest convenience. I am fully committed to operating the station hands-on and building a long-term partnership with [Company Name].

Thank you for your time and consideration.

Respectfully, [Your Full Name] [Your Address] [Your Phone Number] [Your Email Address]

Part 5: Loan Application Summary Template

Use this one-page summary when applying at SB Corporation, Landbank, or DBP.

BUSINESS LOAN APPLICATION SUMMARY

Business Name: BUTCHER Energy Station **Business Type:** Fuel Retail + EV Charging + Convenience Store **Location:** Caloocan South, Metro Manila **Legal Structure:** [Single

Proprietorship / Corporation]

Loan Amount Requested: ₱ [amount] **Purpose of Loan:** [Construction / Equipment / Working Capital] **Proposed Repayment Period:** [3-5 years]

Project Highlights:

- Modern energy station combining fuel, EV charging, solar canopy, and convenience store
- Located in Caloocan South — 1.7M population, 32,180/km² density, major traffic arteries
- No competitor in the area offers EV charging or solar-powered operations
- Projected monthly net income: ₱252,000 (moderate scenario)
- Projected ROI: 4-5 years
- Qualifies for EVIDA fiscal incentives (RA 11697)

Collateral Offered: [Describe if any — property, equipment, etc.]

Attachments:

1. Complete Business Plan
2. Engineering Blueprint
3. Financial Projections
4. Valid IDs and Proof of Residence

Part 6: Skills You Should Build Now (Free)

While pursuing funding, invest your time in building the skills that will make you a credible operator.

Skill	How to Learn	Cost
Gas Station Operations	Apply for a job as assistant manager at any gas station. Learn inventory, safety, staff management from the inside.	FREE (you get paid)
